Location

There are two (2) openings in the Fish Program, Hatchery Division, Lyons Ferry Complex - Duty station is the Lyons Ferry Hatchery, Franklin County.

Duties

Fish Hatchery Specialist 1 (FHS1): Performs a variety of technical and scientific fish culture duties, performs hatchery related maintenance, and participates in an agency supervised fish culture training program. **This is an in-training class. Incumbents must successfully complete the fish culture training program within prescribed time limits to advance to Fish Hatchery Specialist 2.**

This hatchery's program consists of four ESA-listed recovery programs (Snake River fall Chinook, Tucannon River spring Chinook and summer steelhead, and Touchet River summer steelhead), and several production programs for summer steelhead and rainbow trout.

FHS1 Minimum Qualifications Requirements

Associate's degree in fisheries technology or closely allied field. OR Three years of education towards a Bachelor's degree in fisheries or closely allied field. OR Successful completion of a fish culture program from a vocational school.

Three years of experience performing a variety of fish culture duties in a hatchery will substitute for the required education.

NOTE: A valid driver's license is required. Some positions require a Class A or Class B Commercial Driver's License.

Position Requirements

Special Note: This position is covered by a collective bargaining agreement between the State of Washington, Department of Fish and Wildlife, and the Washington Federation of State Employees (WFSE), which contains a "union security" provision. This means that, as a condition of employment you must either join the union and pay union dues, or pay the union a representational or other fee within 30 days of the date you are put into pay status.

- All applicants considering applying for this position should understand and consider that standby is a requirement for all positions in the Fish Hatchery Specialist series. Management may determine it is necessary to assign it in order to accomplish the goals and objectives of the agency and as necessary to protect the resources of the agency.
- **Standby has not been assigned at this time for either position**
- **Agency On-site housing is not available for either position**
- *This employment opportunity applicant pool will only be used to fill these positions.*

Who May Apply

This recruitment is open to anyone who meets the requirements. For any lateral or voluntary demotion applicants, you will need to be certified from the Fish Hatchery Specialist 2 (FHS2) applicant pool. For any promotional or open competitive applicants, you will need to be certified from the FHS1 applicant pool. *Note: If offered the position at the FHS1 level, the incumbent will serve an in-training appointment and must successfully complete it before advancing to the FHS2 level.*
